***Dear Friends,***

This is truly the season to be jolly! How wonderful the “holiday” season is. It seems the whole world is softer. When I say this, I am referring to people’s hearts toward the gospel. Hardened hearts will often soften to the things of our Lord during this time of the year. Please don’t miss the opportunities to plant the seeds of the gospel message in soft hearts during this season. Christmas is a great platform to not only show the love of Christ, but to touch lives with the wonderful story of God coming to this earth as a babe growing into a man and giving His life for the sinners of this world. Ultimately, that is what we at Touch the World Ministries are all about. Sharing this great news of a Savior to the lost world! You are our partner in this great calling. Thank you for helping us to spread this marvelous news.

***El Salvador Mission Trip***

We had a team travel to El Salvador in November. Hopewell Baptist Church of Morganton, N.C. and Tarheel Baptist Church of Tarheel, N.C. came together to form a team of 15 members. This team participated in the construction of a local church, Vacation Bible School, and they worked with the Remar orphanage in La Libertad. Several children and adults received Christ as their Savior on this trip. Because you are partners with us, you were there with this team. Praise the Lord for all that He did through them. We want to thank Bob and Angelique Kendrick for hosting this team. Bob and Angelique have been missionaries in El Salvador for over 25 years. They are doing a phenomenal job reaching the country of El Salvador with the Gospel!

### ***Refuge Liberia Church Plant***

On November 17<sup>th</sup> – 20<sup>th</sup> Jackson Quenisar along with several other men planted the first evangelical church at the village in Bellemu, Liberia. Bellemu is the location where we have begun construction of a new Champions Home. Jackson and friends showed the Jesus Film two nights in the village with 1500 people in attendance and 200 decisions for Christ. **They climbed trees like Zacchaeus to see the Jesus Film.** The oldest man in the village accepted Christ as his Savior. They also visited another village nearby and showed the Jesus film. There were 600 people present and 100 decisions for Christ. The following Sunday the first service of the Refuge City Church took place. Jackson reported 70 in attendance. Praise the Lord for what He did. Please pray that the Refuge City Church will continue to grow and be an important tool in reaching more with the gospel of Christ. I have to end this letter with gratitude to all of you for being involved with all that God is doing through TTW across the world. Heaven only knows the rewards to those that are faithful to fulfill the Lord's commands. May the Lord bless all of you and continue to use you mightily for His glory! I pray that you have a Merry Christmas and a New Year filled with many blessings.

Until He returns,  
Homer
