Dear Friends,

It is hard to believe the first month of 2011 is already behind us. Winter will soon come to an end and everything will begin to bloom again! Reminds me of the new life we have in Christ. Old things are passed away and behold all things have become new! There are people all around the world that are coming to know Christ because of you! At Touch the World Ministries we get reports every day of new believers that have accepted Jesus as their Savior. Because you are a partner, you have a part in those conversions. Thank you for being a partner of the Gospel!

Agape Christian Mission

We also want to thank you that gave in order to purchase a new water filter and cooler so that the children of Agape Christian Mission can have fresh clean drinking water. I take it for granted that I can go to my water facet and receive clean fresh water to drink. There are so many thousands of people that die every year because of a lack of good water. The children at Agape Christian Mission will now have safe clean water to drink because of caring people like you! We are in the process as I write this letter of working with one of our ministry partners to have a well bored at Agape Christian Mission at their new project location outside the city of Salem. One day we are praying that a new Champions Home will be built on this site and the children of this home will have a large area to play outside of the pollution of the city. Pray with us for this to become a reality.

Aaron and Hur Club

I want to thank the ones of you that responded by becoming members of the **Aaron and Hur Club**. This New Year has brought new challenges to us financially. We are still looking for people to join this club so that Touch the World can continue to help people and spread the Gospel around the globe. **Please prayerfully consider becoming a member of this club.** I want to close by letting you know that I appreciate each and every one of you! With the Lord's help and gracious partners like you all we will continue to "Touch the World" with the good news of Jesus Christ!

Until the Nets are full,
Homer

Child Sponsorship Program

Touching the World...One Child at a Time

Joel is one of the one hundred orphans residing at River Jordan Champions Home in Kenya. Most of the children living at River Jordan have been orphaned because their parents have died of AIDS. Pastor Patrick Wamalwa, the director of River Jordan writes regarding Joel: "Joel is a boy aged 13 years old. I got him from his grandmother who was very poor. Joel was in poor health condition. He had no clothes and no emotional support. Through Touch the World Ministries Joel has seen the amazing grace of God in his life. He likes singing gospel music."

There are hundreds of children like Joel that desperately need your sponsorship. For only \$15 per month you can make a difference in the life of a precious child.

Aaron and Hur Club (Exodus 17:8-12)

Just as Aaron and Hur supported the arms of Moses when he could not hold them up himself, Touch the World needs your support. With your monthly contribution of \$100 per month you will be a part of spreading the gospel and helping orphans around the world. Please join with others in helping us Touch the World for Christ.
