Dear Friends,

Well summer will come to an end and school will start for our children once again. Hot will turn to cool and then cold. It amazes me how time changes things. It is a testimony to our great God. We have had a great summer with teams traveling around the world and people professing Christ as their Savior. I am always blessed when I hear about men and women, boys and girls accepting Christ as their Lord! What a privilege to be a small part of this happening. It is a great praise unto Jesus! We had a team travel down to El Salvador in July from Wake Cross Roads Baptist Church in Rolesville, NC. This team worked with Bob and Angelique Kendrick and the local churches. Bob said this team was a great blessing to them. They ministered in schools and local church settings. We have had multiple teams travel to El Salvador to work with the Kendricks this year. Every team has had a great experience as they were a part of seeing people birthed into the Kingdom. We are so blessed to be involved with Kendrick Ministries. Bob and Angelique are precious people that love the Lord. We will be collecting shoe boxes and clothes to send to El Salvador at Christmas again this year. If you are interested in being a part of this project contact our office. There is nothing more precious than to see children receive gifts that point them to a Savior that loves them. We have had great response from loving people like you to share Christ's love by bringing joy to a precious child through a simple shoe box! Everyone knows that the economy has had a great impact on all our lives, but Jesus is faithful and He continues to provide for this ministry through good people like you! Thank you so very much! We have many things that we could be doing, but because of a lack of funding we are unable to do them. We believe that when the Lord wants the work done, He will provide the funds that are needed through His people. Please keep us in your prayers as we continue on for His glory!

For His names sake,
Homer

Child Sponsorship Program

Touching the World...One Child at a Time

Manuel is one of the 100 orphans living at the Remar Orphanage in La Libertad, El Salvador. Jose Soteula is the director at Remar. He and his staff along with Bob and Angelique Kendrick are committed to taking care of these underprivileged children. Manuel is 6 years old and is in the 1st grade in School. He has been at Remar since 2002. Your support will help Manuel have food, clothing, education, and discipleship in Christ.

There are hundreds of children like Manuel that desperately need your sponsorship. For only \$15 per month, 50 cents per day, you can make a difference in the life of a precious child.
