### ***Dear Friends,***

It is hard to believe that a new year has already begun. 2011 was a great year of ministry for Touch the World and we are excited about this year's activity.

### ***Hinova Baptist Church, Romania...***

I had the privilege of traveling to Romania for the first graduation of our Pastor School this past October. While I was there I was reminded of a need in the village of Hinova. Several years back I was visiting Romania and Pastor Pavel, our partner in the work there, was taking me around to the villages that did not have pastors to lead the churches. One village in Hinova caught my eye and I was never able to get it off of my mind. The brothers and sisters in Christ were meeting in what looked to be a chicken coop. I was touched by the Lord to see this and little did I know at the time that the Lord had a plan. When I visited again this past October I once again was reminded of the "chicken coop" church in Hinova. The Lord moved in my heart and we began to plan on building a new church for these precious believers. I am thrilled to say that all the funds for this project have now been raised and a team is being formed to travel to Romania in May of this year to begin construction. I want to take a moment and praise the Lord for His goodness in providing through good people like each of you to

meet this need! What a great God we serve that cares for the needs of His people. Even a small congregation that meets in a "chicken coop."

### ***Christmas Projects...***

I also want to thank those who participated in making shoe boxes for children in El Salvador and for those who gave so that children at our other sites around the world could have a Christmas Celebration. Because you gave children that would otherwise have had nothing at Christmas were able to enjoy a wonderful celebration of our Savior's birth.

### ***Child Sponsorship Program...***

Although our Child Sponsorship Program is growing, we still have hundreds of children that need sponsors. If you are not involved in this program maybe 2012 will be the year that you Sponsor A Child. What a blessing for my wife, Barbara, and I to have children sponsored of our own. God only knows the great work He will do one day with these precious little ones as they grow up and learn about the Savior that cared enough about them to send someone to care for their needs. Thank each and every one of you for your support to this ministry. Without you along side of us nothing would be able to be accomplished. May the Lord bless you as we serve together in 2012.
