Dear Friends,

I am always amazed at how quickly time goes. Here we are already in February of 2012. This is a reminder that the Scriptures says "life is like a vapor" here today and gone tomorrow. The Lord has taught me just recently how precious every day is and how we should enjoy every moment serving Him! It is hard to believe that Touch the World celebrates its fifteenth year of service in 2012. I would have never believed that the Lord would do such great things when He impressed this ministry on me while walking up the New River in Todd, North Carolina in 1997. I want to praise Him for all the things He has allowed us to do and all the things that He has not allowed us to do. You see, we are all in this ministry together. The Lord uses you as well as me to meet the needs He has in mind. You have been involved with thousands of people coming to know Him as savior over these last 15 years. Isn't that what it is all about! Thank you for caring by praying and giving financially so His "good news" can go forth.

Please continue to pray for our mission teams that will be serving overseas in the up and coming months. Please be in prayer for our team from Michigan training to serve in India this summer and our North Carolina team that will be building a church in Romania this spring. Pray for our children that are sponsored in fourteen different countries around this globe. These children will one day grow up to be adults that have been loved and fed by many of you and taught about the love of a Savior by your kindness. What is in store for Touch the World over the next fifteen years only the Lord knows, but what a joy to serve along side of you every day until we go on to be with Him or He returns to take us home! Until the whole world hears,

Homer

Child Sponsorship Program

Touching the World...One Child at a Time

There are hundreds of children like Sara that desperately need your sponsorship. For only \$15 per month, 50 cents per day, you can make a difference in the life of a precious child.

Sara is one of the 100 orphans living at River Jordan Champions Home in Kenya. Most of the children living at River Jordan have been orphaned because their parents have died of AIDS. Pastor Patrick Wamalwa, the director of River Jordan, writes regarding Sara:

"I got her when she was staying with her step aunt. She was staying under mistreatment. Her aunt was a drunkard woman and was even forcing her also to drink instead of food. During the time of eating, she was denied food and chased out of the house until they finished eating, then she could eat the remains. If there was nothing left she would go to sleep without food. She was forced to do all household work. She was also being forced to get married. As she refused she was forced to sleep outside the house. Due to poor conditions and lack of food she had scabies on her head and her legs were swollen most of the time. But she is now living at River Jordan Champions Home and is happy and praising God."

"This is pure and undefiled religion in the sight of our God and Father, to visit orphans and widows in their distress, and to keep oneself unstained by the world."
James 1:27
