Dear Friends,

In James 1:27 it states "pure and undefiled religion before God, is to visit orphans and widows in their trouble". I have thought about this verse many times and we use it on about all of our Touch the World materials. This verse is letting us know that the Lord wants us to take care of widows and helpless children. Touch the World is involved in fourteen different countries and in most of those countries we have a Child Sponsorship Program. This program consists of sponsoring a child monthly to make sure that they are fed, having their basic needs met, and taught about the love and salvation of Christ. Barbara, my wife, and I sponsor several children ourselves. What a blessing to be able to take care of God's children around the world. Many times I have been brought to tears when I think about the children and their living conditions that the Lord has allowed me to see myself. Really, the fifty cents a day that it takes to sponsor one child a month would not even buy a soda in the United States and yet it will feed, clothe, and educate a child in other parts of the world. Would you think about this, meditate on James 1:27, and then ask yourself, "how am I helping widows and orphans?" Please consider becoming a child sponsor, together we can reach out to needy children around this world. There are 144 million orphans in the world. I wish I could help every one of them! We might not be able to help them all, but if we work together we can truly touch the world...one child at a time. Pray and start using your loose change to help "change" a child's life!

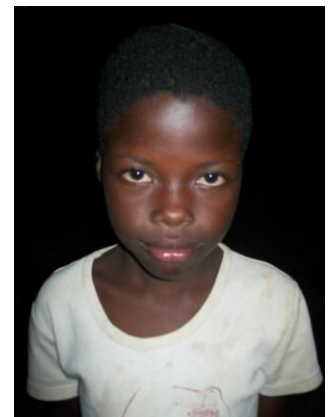

Until they all hear,
Homer

Child Sponsorship Program

Touching the World...One Child at a Time

There are hundreds of children like Lindah that desperately need your sponsorship. For only \$15 per month, 50 cents per day, you can make a difference in the life of a precious child.

Lindah is one of the 100 orphans living at River Jordan Champions Home in Kenya. Most of the children living at River Jordan have been orphaned because their parents have died of AIDS. Pastor Patrick Wamalwa, the director of River Jordan, writes regarding Lindah: "I got her living with a close neighbor; Lindah was sickly day after day. Her body was swollen due to lack of nutrition. She was poor in health. She didn't know where to go because she was being mistreated and overworked, beaten when she complained about work. She was being given very little food; once per day. The other children were getting thrice per day. She was thinking a lot and very sad. Through Touch the World Ministry, Lindah has a home. She is getting her basic needs, well clothed by Touch the World Ministry as you can see. She is healthy, she loves the word of God and always sings for the Lord" Your support will help Lindah continue to have food, clothing, and education.

"This is pure and undefiled religion in the sight of our God and Father, to visit orphans and widows in their distress, and to keep oneself unstained by the world."
