### *Dear Friends,*

I hope that you all had a blessed Easter celebration. Easter is the greatest time of the year. The celebration of our Lord's resurrection is the apex of all human history. Without the resurrection we would have no hope, but because Christ raised on the third day we that have received Him as our Savior will raise with Him one day! Our focus at Touch the World Ministries is sharing the good news of a Savior for all mankind! Whether it is feeding, clothing, and educating children around the world or building churches in Romania, our goal is to glorify God in all that we do and make disciples around the world. You are our partners in this quest. I am deeply touched when we receive reports of salvations monthly from our different projects and praise the Lord that He is making Himself known. Sometimes life seems so busy that we forget just how blessed we are to be a part of building the Kingdom. If you are partners with us, be encouraged to know that people are hearing and receiving the gospel of Jesus Christ because you cared enough to pray and support us financially. That is really what Easter is about. It's not a one day a year celebration but an everyday reality that Christ is alive and has empowered us through His Spirit. I love what Martin Luther said, "I live everyday as if Christ was crucified yesterday, resurrected today, and is coming back tomorrow." We should live this way too!

## *Child Sponsorship Program*

*Touching the World...One Child at a Time*

**There are hundreds of children like Viyalakshmi that desperately need your sponsorship. For only \$15 per month, 50 cents per day, you can make a difference in the life of a precious child.**

Viyalakshmi is one of 52 children residing at Agape Home for Children in India, a partner of Touch the World Ministries. Pastor Nehemiah Rajan, the director of Agape, and his wife Helen are committed to taking care of these precious children. Viyalakshmi now lives with her sister Revathi in Agape Christian Mission Home. Her family was separated. Viyalakshmi, along with her sister and brother, lived with their mother. Her mother worked as a coolie for daily wages in that village. The family lives in a hill country where they are identified as Tribals. At our home Vijayalakshmi is enjoying access to education and spiritual activities. She loves to dance. She likes playing Pebbles with the other children. Your sponsorship will help Viyalakshmi continue to have food, clothing, education, and discipleship in Jesus Christ.

"This is pure and undefiled religion in the sight of our God and Father, to visit orphans and widows in their distress, and to keep oneself unstained by the world."
