*Dear Friends,*  
Barbara, the team, and I had such a wonderful time in **Romania** last month. We had a great team and the Lord did a work in us as well as the village where we worked. When I returned home I was reminded that missions continues on no matter if we are overseas or in our backyards. I have come to realize that missions is who we are and not what we do. There are people here in my community that are receiving Christ and on fire to share the gospel. I am grateful to be privileged to be a part of building the Kingdom no matter where that might take me. I want to thank all of you that sponsor children at the **Remar Orphanage in El Salvador**. Because of your support all of the children were excited to receive new shoes last month. (Photo at the top of the page). I am so impressed with the new Champion Home in **Salem, India**. **Agape Christian Mission** is our partner in Salem and they have recently finished phase one of this wonderful home. The picture to the right is the building that is now housing the boys of ACM.

Nehemiah Rajan and Precilla

Helen are the husband and wife team that oversee this great work. We are so thankful for their hearts to take care of the orphans in this region. Because of government restrictions they had to move the boys to this location before all of the construction was completed. Rajan has recently made us aware that they have an immediate need of \$2,300 for completion of the latrines for this site as well as other needs so that these young men can have a place to grow and play and be taught about the love of our dear Savior. Please be in prayer with us that God will meet this need for these precious young men. I

thank you for your prayers and your love for us here at Touch the World. We are all a big family sharing the love of our Father though the message of His Son. May He bless you as we serve Him together!

Until He returns,
