Dear Friends,

I have often said that summer is one of my favorite times of the year because we generally have multiple teams traveling to various places. As I am writing this letter we have a team from **Monroe, MI** over in Hyderabad, India serving with Bethany Children's Home.

This team is working in the slums serving the children and helping those in need as well as having Gospel Crusades and a Pastor Conference. That is so exciting to me. There is nothing that brings me more satisfaction than to expose new groups to the mission fields of the

world. This is part of the vision the Lord laid on my heart when this ministry was started years ago. Nothing will change a heart more than experiencing the needs of a lost world personally! We also have a team from **Bladenboro, NC** that will be leaving on Saturday, July 21 to do mission work in Jamaica. They will be doing Vacation Bible School and Gospel Crusades. Please be in prayer for both of these teams. We will write more about these trips in next month's newsletter after they return home and report what they

experienced. I also want to thank the ladies from **Clear Creek Baptist Church of Charlotte, NC** (pictured below) for

sending the gospel dolls to River Jordan Champions Home in Kenya. The children at RJ (pictured at the top of the page) received these dolls with much joy. River Jordan is a great example to the entire community of Bungoma, Kenya that the Lord takes care of orphans and widows in their distress. And you and I get to be a part of this. Isn't it a great thing that the Lord not only saves us from a life of sin, but allows us to help others know that same love by sharing His gospel message! We are all partners in His work. I want to thank you for being our partner. I am very moved every month that good people like you help us to help others. May the Lord bless you for your kindness!

Your partner in Christ,
Homer
