***Dear Friends,***

It's hard to believe that summer is almost over and fall will soon be here. Remember when we see the season's change that this is part of the promise that God gave Noah in Genesis 8:22 "While the earth remains, Seedtime and harvest, Cold and heat, winter and summer, and day and night shall not cease."

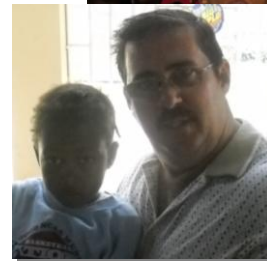

The Bladenboro, NC team has returned from their trip to Jamaica. Thomas Wray the pastor and team leader reported that they had between 80-100 children every day for Vacation Bible School. He said the team of seven had a great time and

We have had a great summer. Our mission teams have returned with reports of the gospel going forth and lives being changed! The team from Monroe, MI was so touched by their trip to Hyderabad India that they are already planning a return trip in the near future. This team served with Bethany Children's Home and ministered to many orphans and lepers as well as shared the good news of the gospel with everyone that they helped! Thank you Monroe, MI team and may the Lord bless your ongoing work in the communities around you and around the world.

experienced an awesome week. They served with the Townhead Baptist Church in Westmoreland, Jamaica. Thomas shared, "I believe we touched the kids of Townhead with the love of Christ. The kids of Townhead touched our hearts as well." Thank you Bladenboro team for the great work you did in Jamaica!

Lastly I want to thank all of you that partner with us at Touch the World Ministries. In a sense we are all on a mission trip together. Our trip is to "touch" as many lives as we can with the saving message of the cross. Thank you for your faithfulness to this ministry and most of all for your faithfulness to our Savior!

In Christ,  
Homer

***Child Sponsorship Program***  
*Touching the World...One Child at a Time*

**There are hundreds of children like Manila that desperately need your sponsorship. For only \$15 per month, 50 cents per day, you can make a difference in the life of a precious child.**

Manila lives at the Agape Christian Mission in India. She is the sixth girl in her family. Her father deserted the family, as they all are female children. Her mother, who is very innocent and illiterate, suffered a lot to provide food and education. Manila is from a hill country where the people are identified as Tribals. Generally, illiteracy is very high in this region. Now Manila, with her sister Sudha, is enjoying her life in our home. Manila always wants to run around the campus with her peer group. She plays hide and seek and enjoy playing with the pebbles.
