### ***Dear Friends,***

We had a great Board of Directors meeting this month! When we get together and discuss the things the Lord has allowed us to do I am always humbled. I have to admit that sometimes I want to do so much more for the Lord and I forget the great things He has allowed us to be a part of already. He reminds me that He is working and no matter if it is loaves and fishes or great abundance, He will bring things to His glory.

I want to thank Dr. Randy Mann and Shannon Kelly for traveling to Kenya to teach on Discipleship for a Pastors Conference at River Jordan our Champions Home in Bungoma, Kenya. Randy and Shannon were very encouraged by the response of this Conference. They also preached at the church while they were visiting. I want to thank the Lord for the professions of faith that several Kenyans made while these men served. Isn't that just like the Lord to bless you with seeing people come to know and follow him, when you thought you were going to teach pastors? I sure am glad that He is still in the saving business. You were a part of those salvations as well. Oh you might not have traveled to Bungoma, but as a partner of TTWM you are a part of everything that we are. It is good to have partners all around this world that make up this great ministry. It is not great because of us or any one person, it is great because we all play a part in sharing the greatest message of all, and that is that Jesus came to this earth to live, die, and resurrect so that if we receive His sacrifice, confess our sin and live for Him, we will have eternal life! That is what makes anything great! Thank you for your partnership!

Serving together,  
Homer

## ***Child Sponsorship Program***

*Touching the World...One Child at a Time*

Evan is one the children taken care of by Christ Alive Care Ministries of India. All of these children come from poor backgrounds and a majority of them from a Hindu up-bringing. These precious children are now receiving shelter, food, clothing, medical care, and most importantly the love and discipleship of Jesus Christ.

Evan has two sisters named Abigail and Idonal. His favorite color is green and his favorite subject in school is math. His favorite foods are apples, rice and fish. He loves to play hide and seek and his favorite flower is the Chemparathy (a red flower native to South India).

**There are hundreds of children like Evan that desperately need your sponsorship. For only \$15 per month, 50 cents per day, you can make a difference in the life of a precious child.**

*"Therefore pray the Lord of the harvest to send out laborers into his harvest."*
