How You Can Make A Difference...

◆ ***Pray***

Pray for all of the suffering children across the world and pray that God will continue to use TTWM to help meet their needs.

◆ ***Financial Needs***

Due to the growth of TTWM, it is necessary to have some full time staff. **PLEASE** pray with me about additional funding for this need so that the work can continue to grow. **MAYBE** God wants you to be a part of making this happen.

◆ ***Pray for David and Sandy's move to Todd, NC.***

◆ ***Pray for our Mission Teams.***

Folks, time is hurling past us. The Lord's work continues on as we try and catch our breath and serve with diligence. I had the privilege of leading a team to Israel last month. What a great opportunity to serve in the places that the Lord walked when He was here on this earth. I always come back with a fresh understanding of the places and events that we read about in the Scriptures.

The **Champion Home in Nidadavole, India** is coming along great. Pastor John Moses has sent wonderful pictures and has kept us up to date on every step

of the construction. We are excited to think of the 150 children that will be staying at this new home! The awesome factor is that every child that will be living in the home is already sponsored! I have mentioned this before but I just can't quit praising the Lord for His great provision! I can't begin to share with you everything that is going on with the ministry, but there is one thing I want all of you to know and be praying about. In June David and Sandy Cooper will be moving to Todd, where Barbara and I live. David is TTWM's Project Director and Sandy does the Accounting and serves in other various areas of the ministry. This will be a great opportunity for Touch the World to be consolidated and run more efficiently. I can't tell you how thankful and excited I am for this to happen. Todd is where TTWM started 16 years ago. How appropriate for this to be "coming together" right here where it all began! All of you be praying about the future of TTWM and asking where the Lord wants to take us. We have no preconceived notions. This ministry is His and it always has been. He has free reign to do whatever He wants done!

Until His nets are full,
Homer

To those that sponsor a child through TTWM, thank you so much for making a difference in the life of a child!

Child Sponsorship Program

Touching the World...One Child at a Time

There are hundreds of children like Balaraju that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.

Balaraju is one of the many orphans that are living in the slums of Hyderabad South India. Pastors John Moses and John Babu of Bethany Children's Home, a partner of Touch the World, are committed to taking care of these underprivileged children. They are feeding these children three times a day and teaching them God's Word as well as seeing that they are educated and have a place to sleep. Most of these children are from a Hindu background.

Balaraju is 9 years old. He is in the fourth grade and his favorite subject is Science. Balaraju's favorite Bible story is Jesus feeding the five thousand. Your support will help Balaraju to have food, clothing, education, and discipleship in Jesus Christ.

"Therefore pray the Lord of the harvest to send out laborers into his harvest."

Matthew 9:38
