#### ◆ *Pray for our Mission Teams.*

We had a great Board Meeting this month. I got so excited when I heard about the report from Bellemu. Bellemu is in Northern Bong County in the Panta District of Liberia, a few miles from the Guinea border. Jackson Quenisear is the Director of the City of Refuge Compound in Bellemu and he and his wife Harriet are doing a phenomenal job. They have thirty orphans that live with them in their home. We have started to build a dorm in Bellemu that will house many more children, however, we are lacking the funds to complete it. Please be in prayer that the Lord will provide the funding. Jackson, in his report told us about a well drilling ministry that came to minister in the Panta District. They drilled and rebuilt 7 wells in the area. During these drillings, in the evenings they showed the Jesus Film to the villagers. Jackson reported that they have shown the film to over 8000 villagers since June 14 with over 1500 decisions for Christ. As they were receiving water for their physical needs, they were also receiving the Water of Life. Praise the Lord! We are so thankful for this report and wanted to share with you, our partners in ministry! Pray that the Lord will continue His work at Bellemu and many more villagers will come to know Him as their Savior.

In Nidadavole, India the Champion Home is now complete and 150 children have now moved into the home. I can't help but thinking of what our Lord said in James 1:27 about this being pure and undefiled religion! Thank you all for being a part of these things and many more that I do not have the time or space to write about! May the Lord bless all of you as we partner together to reach a lost world for His glory!

Praise His Name,  
Homer

**To those that sponsor a child through TTWM, thank you so much for making a difference in the life of a child!**

**There are hundreds of children like Sergiu that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.**

*Touching the World...One Child at a Time*

Sergiu is from a family of believers in Moldova. Sergiu has five brothers and sisters. Although Sergiu's father works very hard to support the family, the family is living in extremely poor conditions. The church is helping to make the home sanitary with proper basic living conditions.

*"Therefore pray the Lord of the harvest to send out laborers into his harvest."*
