○ *Please continue to be in prayer for the everyday financial needs to run the ministry.*

A brand new year! The New Year is always an exciting time. Looking back over 2013 I can only smile at the many things the Lord has done. I can't help but thinking about the children in our Child Sponsorship Program. This past year we have had more children sponsored than any time in our past. What a great praise unto the Lord. Many of you are now sponsoring children around the world and I want to thank you from the bottom of my heart. But there are also many that do not have a sponsor. This is a sad thought. I have a desire to see every child being cared for. How can this desire be met? Through good people just like you! Please let others know about our sponsorship program. Get the word out and you can make a difference in children's lives across the world. The Lord gets all the praise for anything that is ever done through TTWM.

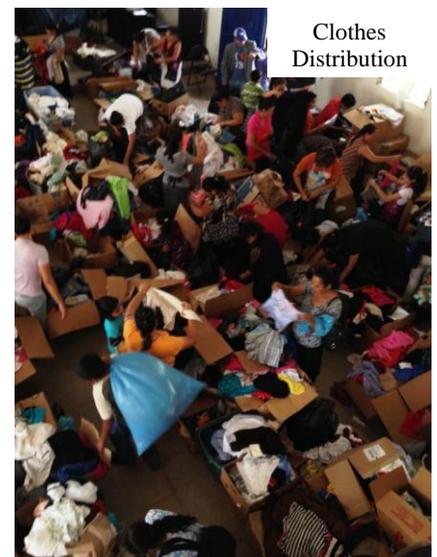

El Salvador Trip Our project director, David Cooper, led a team to El Salvador in December to distribute clothing and Christmas Boxes with Bob and Angelique Kendrick. They reported having a great trip and seeing a lot of people receive Christ as their Savior. We are so thankful for the work that Bob and Angelique are doing with Kendrick Ministries in El Salvador and we praise the Lord for

the decisions that were made and the discipleship that will follow. I also want to thank all of you that were a part of this trip through giving of clothing,

Christmas Boxes, and most of all prayers. A new year brings excitement over what

He will do next. May the Lord have control of Touch the World and may we honor Him more in 2014. May you be blessed with the best year ever! May you grow in grace and knowledge of our Lord and Savior, Jesus Christ, and may you find a deeper walk with Him! I love you all and thank you for standing with us as we "touch the world" with the message of the gospel!

Until they all hear,
Homer
