How You Can Make A Difference...

- ◆ **Pray**
 - ◆ *Pray for all of the suffering children across the world. And pray that God will continue to use TTWM to meet their needs.*

 - ◆ **Financial Needs**
 - *Please continue to be in prayer for the everyday financial needs to run the ministry.*

Barbara and I have now made our move to Carolina Shores, North Carolina. Moving can be so strenuous and often overwhelming. We still have boxes to unpack and things to get settled but all is going well and we are excited about what the Lord is doing. We have had a tremendous start to this New Year! Since I wrote to you last month funding has come in for a new Champion Home in Hyderabad India to be built. We have been praying for this need to be met and because of this answered prayer there will be 150 more children in India that will have a warm safe place to live and learn about the Savior that is taking care of them. I cannot thank the Lord enough and the donor that He moved to give to this need. We also have received the funding to finish the boys dorm at our Champion Home in Belleme, Liberia! All I can say is praise the Lord! We are so thankful for His provision. Eternity only knows the weight of these projects being completed. We are so excited to see the gospel go out and the needs of children and people being met. We are beginning to think about spring and new life as everything will begin to bloom very soon. It is a constant reminder of the new life that Jesus brings to those who accept His sacrifice for their sins. You are a partner with us in sharing this good news. May the Lord bless you as we serve Him together!

Serving together,

To those that sponsor a child through TTWM, thank you so much for making a difference in the life of a child!

Child Sponsorship Program

Touching the World...One Child at a Time

There are hundreds of children like Issac that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.

Issac is one of the one hundred orphans residing at River Jordan Champions Home in Kenya. Most of the children living at River Jordan have been orphaned because their parents have died of AIDS. Pastor Patrick Wamalwa, the director of River Jordan writes regarding Issac:

“I got him living with his uncle. The uncle was very poor and a drunkard. He could not afford to take care of Issac’s basic needs. When he would come home drunk he would chase away Isaac saying he is not his blood. This was a very sad life for Isaac. Isaac was naked, had no food, no beddings, no home, and no parental love. Isaac is now healthy, happy, joyful, and he is praising God. He has a home, water for bathing and all other basic needs.”

“Therefore pray the Lord of the harvest to send out laborers into his harvest.”

Matthew 9:38
