How You Can Make A Difference...

◆ **Pray**

- ◆ *Pray for all of the suffering children across the world. And pray that God will continue to use TTWM to meet their needs.*
- ◆ *Pray for our Mission Teams.*
- ◆ **Financial Needs**
 - *Please continue to be in prayer for the everyday financial needs to run the ministry.*

I am moved with compassion every time I see a child in need. Many times I am reminded in Scripture that Jesus was also concerned about them. In fact He scolded His disciples for not letting them come to Him. He said “suffer the little children to come to me, for such is the Kingdom of heaven.” Touch the World was birthed with a compassion for reaching the world with the good news of Christ. It seems that over the past few years more and more we are becoming involved with reaching the world through reaching the children. I am thankful for the hundreds of children that are sponsored by partners like you. Please pray that hundreds more will be sponsored so that the message will go forward. We are beginning a brand new Champions Home in Hyderabad, India this month to house 150 more children that have no place to call home. We also received the funds to build a security wall around the Champions Home that is finished in Nidadavole, India. The security wall will help keep out the snakes that are prevalent there. Thank you to the sponsors that provided the funding for this much needed project. We also are working with another partner to ship a container of medical supplies to Kamuya village in Kenya. These supplies will help furnish the Crown Clinic at the Echoes of Mercy compound. I want to thank each and every one of you for your hearts to help us love and serve the Lord.

Until His Return,
Homer

To those that sponsor a child through TTWM, thank you so much for making a difference in the life of a child!

There are hundreds of children like Saraswathi that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.

Touching the World...One Child at a Time

Saraswathi is one of the many orphans that are living in the slums of Hyderabad, South India. Pastors John Moses and John Babu of Bethany Children's Home, a partner of Touch the World, are committed to taking care of these underprivileged children. They are feeding these children three times a day and teaching them God's Word as well as seeing that they are educated and have a place to sleep. Most of these children are from a Hindu background.

One of Saraswathi's favorite subjects is English. Saraswathi's favorite Bible story is Jesus.

“Therefore pray the Lord of the harvest to send out laborers into his harvest.”

Matthew 9:38
