Summer is passing by quickly and what a great summer we have had. We have a brand new Champions Home being built in **Rajahmundry, India**. When completed, this Champion Home will house 150 orphaned and underprivileged children. John Moses, the Director of Bethany Children's Home Ministries, will be the director of this Champion Home. He and his father John Babu are doing a great work in several locations in India. Please be in prayer for this great ministry and pray that the Lord will raise up sponsors for all of the 150 children that will live in Rajahmundry.

Also, as summer starts to wane, we will begin our **Christmas Joy Project**. We will be packing boxes ones again full of Christmas gifts for the children of El Salvador. It's hard to believe that it is time to start preparing for this project, but it is just around the corner. I am so

thankful for the things that Christ continues to do with Touch the World ministries. You guys are great partners as we serve all around this great globe. We function to bring glory to our Lord and Savior Jesus Christ. Everything we do is to promote His gospel to a lost and dying world. Thank you for the role you play in making this happen. May we work diligently until He returns or we go to be with Him!

Until that day,  
Homer

## *Child Sponsorship Program*

*Touching the World...One Child at a Time*

Kennedy is one of many children that are a part of the Echoes of Mercy Program that reaches out to impoverished and orphaned children in Kenya. Echoes of Mercy was founded and is directed by Pastor Moses Omondi.

Little Kennedy lives with his mother in very impoverished conditions. His father died some years back in a road crash and his mother can barely provide for him as she does not have any form of employment. He is in dire need of clothes, food and learning materials like pens and books.

**There are hundreds of children like Kennedy that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.**

*"Therefore pray the Lord of the harvest to send out laborers into his harvest."*
