January, 2016 Newsletter

Volume 15, Issue 1

The Scriptures tell us "So teach us to number our days that we may get a heart of wisdom." As we begin this brand new year, this is a good reminder to be about the Lord's work. We saw a lot of great things happen last year, but we must look to all that the Lord has for us in the coming days. We are excited, because as I write this newsletter there is a new Champion Home being built in Rajahmundry, India. We are in prayer that all one hundred and fifty children that will be living in the home will be sponsored and provided for. I ask you to pray for this need. **For \$25 a month you can meet the needs of 1 precious child. For \$2,500 a month you can take care of the needs of 150 precious children!** The Lord uses His people to love and help a needy world. We are also looking forward to the construction of a school in partnership with Bethany Children's Home to help educate these children. In Kenya, in partnership with Echoes of Mercy, we are in the very early stages of building a Champions Home in Kamuya village. This village has been transformed by Lord. He is the only one that can receive the glory for such a transformation! I want to challenge each one of you to ask the Lord how He would have you help in meeting the many needs of our world this year. We are thankful for you being involved with the many projects that TTWM is involved. My prayer is that 2016 will be so glorious that only God can get the credit for the things done. Please keep Touch the World in your prayers. It is the prayers of God's people that keep things going. Thank you for your loving heart. I pray that the Lord blesses you as you continue to serve Him.

Looking to the future,  
Homer

## *Child Sponsorship Program*

*Touching the World...One Child at a Time*

Yellama is one of the many orphans that are living in the slums of Hyderabad, South India. Pastors John Moses and John Babu of Bethany Children's Home, a partner of Touch the World, are committed to taking care of these underprivileged children. They are feeding these children three times a day and teaching them God's Word as well as seeing that they are educated and have a place to sleep. Most of these children are from a Hindu background. Yellamma's favorite subject is math. Yellamma's favorite Bible story is King David.

**There are hundreds of children like Yellama that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.**

**If you sponsor a child and would like to send him/her a letter, please mail it to the address below. He/she would love to hear from you!**
