

As the teachers and students get ready to start back to school, we are reminded that fall is on the way. We have had a hot summer and the temperatures are still high, but soon it will begin to cool down. That is a reminder that shoebox season is fast approaching. I can't believe it is already here. It's time to start collecting for the Christmas shoeboxes. This October we will be sending these special gifts to El Salvador once again. Bob and Angelique Kendrick of Kendrick Ministries have been serving there for over 36 years. We love this couple and the work that they do for the people of El Salvador. Start looking and collecting those items, October will be here before you know it! We want to shout out a special thank you to the **Senior Center in Bakersville, NC** for making dolls to send to El Salvador, as well. We have seen what a loving gift a doll means to these precious children. Barbara and I had such a great time meeting and sharing with this wonderful group of seniors. Thank you for loving others in Jesus' name! As we start into a new season, let us purpose in our hearts to serve the Lord with a renewed passion. There are some important decisions to be made in our country this fall and we all need to be praying that the Lord will be put in His proper place in America again. We as Christians need to pray and seek His face and ask Him to make our country "in God we trust" once again! Thank you all for keeping us in your prayers. We could not do the things we do without you! May the Lord bless you and keep you, and make His face shine upon you!

In His service,
 Homer

A group of Seniors from The Senior Center in Bakersville, NC made dolls to send to the children in El Salvador!

Thank You, Seniors!
