Spring is a great time of year. We see the deadness of winter giving way to the new life of warm days and sunshine. In a sense the season even points to the resurrection. This is the season of our Easter celebration. Easter is about Jesus our Savior coming to this earth, giving His life on Calvary, being buried in the tomb, arising victoriously on the third day. The winter time of death gave way to the resurrection of spring! What a story to share, what a Savior to praise. This is why we exist at Touch the World. It is about taking the good news of this wonderful Savior around our great world. How we do that varies in different ways, from housing, feeding, and teaching children, to training and equipping pastors. It is manifested in the hospitals and school and the homes of our partners on three continents. The reason we are a ministry is because of the gospel. The gospel is at the center of every meal, every piece of clothing, every book, every home, and every hug that is given. Touch the World is all about Jesus. Because He saved us, we are driven to share His love with others. Thank you for joining us in this high calling. It is through the network of God's people that we are able to do the things that we do. Please know that I love you and I am so grateful for your heart to partner with us. May this Easter be the greatest one you have ever experienced and don't forget to tell somebody the good news!

## ***Child Sponsorship Program*** *Touching the World...One Child at a Time*

George is one of the many children that are a part of the Echoes of Mercy Program that reaches out to impoverished and orphaned children. Touch the World partners with Echoes of Mercy to help care for these children. Moses Omondi is the founder and director of Echoes of Mercy.

George is 11 years old. He is the fourth born in a family of six. His father is a peasant farmer and his mother is a housewife. Being a peasant farmer, George's father does not earn enough to take care of his family. The family is therefore living in pain, suffering, hunger and sickness.

**There are hundreds of children like George that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.**

*"Therefore pray the Lord of the harvest to send out laborers into his harvest."*
