

Touching the World for Christ

PO Box 218, Todd, NC 28684 www.touchtheworldministries.com 828-413-0438

August, 2017 Newsletter

Volume 16, Issue 4

It's hard to believe another summer is winding down. It seems they go faster and faster. We have had another great summer! Thanks to all that have given and helped children all around the world. I am reminded of a couple we have in Wake Forest N.C. that have given over the years so that children in Kenya at our River Jordan Champions Home can have an education! God only knows that one of these children might grow up to be a great leader or pastor or missionary for the country of Kenya. That couple will one day see the return of their investment when they stand before our heavenly Father and see the lives that were touched for the Kingdom because they gave to this need! Isn't that a great thought!

I also want to thank the people in Todd, NC at South Fork Baptist Church that had a heart to help dig a well in India. Because of one man, that read about the need in our Newsletter, became burdened for this need and brought it before the church, thousands of people will have fresh water to drink in a community in India! That is what being the church is all about. These are just a couple of the many stories I could share about the things the Lord is doing through His people. Please know we are grateful for all of you that come along side of our ministry to make a difference around the world for Christ's sake. Thank you for your hearts like Jesus! May He bless you as we serve together to "Touch the World" with the gospel of Jesus. As we will be starting into Fall let us labor for the Master until He comes or calls us home!

Until then,
Homer

Child Sponsorship Program

Touching the World...One Child at a Time

Sheila is one of the many children that are a part of the Echoes of Mercy Program that reaches out to impoverished and orphaned children. Touch the World partners with Echoes of Mercy to help care for these children. Moses Omondi is the founder and director of Echoes of Mercy.

Sheila is the third born in a family of six. They are being raised by their single father who is diabetic and due to inadequate medication, has to stay at home. This is a great challenge for him. Sheila misses her mother so much and this has affected her academics. Her father is constantly in and out of hospital and it becomes very difficult for him to sustain his family. Therefore, the family is languishing in poverty and pain. They sleep hungry and the lack of food makes Sheila's father's condition even worse.

There are hundreds of children like Sheila that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.

"Therefore pray the Lord of the harvest to send out laborers into his harvest."

Matthew 9:38
